Struttura interna in metallo verniciato, garantita 10 anni. Imbottitura in poliuretano espanso a quote differenziate, rivestita in fibra acrilica accoppiata. Bracciolo in poliuretano espanso, coperto da trapunta di piuma d'oca garantita. Schienale trapezio in poliuretano espanso con all'interno una serie di sfere nichelate, che consentono agli stessi di rimanere stabili e fissi, in qualsiasi posizione vengano collocati. Cuscino schienale in piuma canalizzata. Piedini in alluminio lucido dotati di antiscivolo in materiale termoplastico neutro. Rivestimento tessuto o pelle. Svestibilità totale. Con l'uso la piattaforma della seduta assumerà un aspetto più morbido e vissuto. Quindi il presentarsi di una leggera ondulazione dell'abito è da considerare assolutamente normale.

Internal frame in painted metal, guaranteed for 10 years. Multidensity polyurethane foam padding covered in bonded acrylic fibre. Quilted armrest in polyurethane foam, with certified goose down filling. Polyurethane foam trapezoid backrest, containing a series of nickel-plated spheres which remain stable and in any position they are placed. The back cushion is filled with goose down in baffle boxes. Feet in polished aluminium with non-slip pads in clear thermoplastic. The covers in fabric or leather, are fully removable. Over time, the seating will acquire a softer, more 'lived in' look, which means that a slight ripple effect in the upholstery should be considered totally normal.
